Milestone LCR	John Swinbank	- Almost ready to go. - Refer to DM Milestone Updates, November/December 2019 for details. - Intend **not** to do anything about new EFD milestones in this LCR; there still seems to be too much uncertainty about who is doing what. I propose to delete the old EFD milestones (DM-NCSA-30,31) and not add anything new in this LCR. - Don't have any updates to the dates of the Ops Rehearsal milestones. Maybe Robert Gruendl can suggest appropriate prerequisites for them? - Not proposing any changes to SUIT milestones. Judging by Gregory Dubois-Felsmann's comments and the November monthly report we may be able to claim them shortly anyway.
