# 2014-11-18 Change to DM-240

On November 18, 2014,  DM Project Manager, Jeff Kantor, approved Docushare version 11 of LDM-240 "Data Management Releases" and set the Docushare preferred version to that instance.

The notification memo follows:

———

From: Jeffrey P Kantor <jkantor@lsst.org>
Date: Tue, 18 Nov 2014 15:16:25 -0700
To: "<lsst-dmlt@lsstcorp.org>" <lsst-dmlt@lsstcorp.org>
Subject: Re: [LSST-DMLT] LDM-240 update

Hello all,

I just posted a new version of LDM-240 with the changes from Jim
incorporated.  This is the new baselined preferred version, and this is
notice to the TCT of the new baseline.

FYI, this is also the version I will use to extract the capabilities
that will be available for the ComCam documents.

Jeff
