

LSST Authentication, Authorization, and Identity Management Home

Discussion, documents, and meeting notes for LSST's authn/z and IdM needs across all of its domains:

- Observation site operations (summit and base)
- DM operations (observation base site and archive)
- Data Access Centers and VOEvent Broker
- Education and Public Outreach
- Project Office and business operations
- [Meeting Notes](#)

Email list: <https://lists.lsst.org/mailman/listinfo/iam>

Requirements Gathering

We'll need to catalog the systems and services with which the IdM will need to interface.

Please add information to the [LSST IdM integration Inventory](#).
